Children that take Speech and Drama may be asked to perform in this concert. It is an opportunity for children taking Music, Speech and Drama and Ballet to perform for their parents. We try to get as many children as we can from Form 1 and as this will be their last Founders Day Concert at the school.

VICTORIA COLLEGE EXAMS – Wednesday 25th March 2020 – MP – Form 1

VICTORIA COLLEGE EXAMS – Wednesday 20th May 2020 – UT – LP

Venue Rydes Hill Prep School.

The next stage for the children in the Speech and Drama course is to take examinations in the spoken word and to develop in confidence, imagination and expressive skills. The basic requirements are work on voice and diction, coupled with the study, appreciation and interpretation of literature. The selections should bring the children into contact with a wide range of authors and poets – from the classics to the best of contemporary writing. The marking for the examination is designed to indicate the extent of achievement and where strengths and weaknesses lie. Marks are awarded for skills and knowledge shown, not deducted for perceived shortcomings.

Grading and decisions on examinations are not taken until early next year. Any queries, please feel free to contact me.
